

## Gown Pattern Instruction Sheet

1. Print out all 10 pages.

2. Tape together along edges of paper following this diagram. (do not overlap edges of paper)

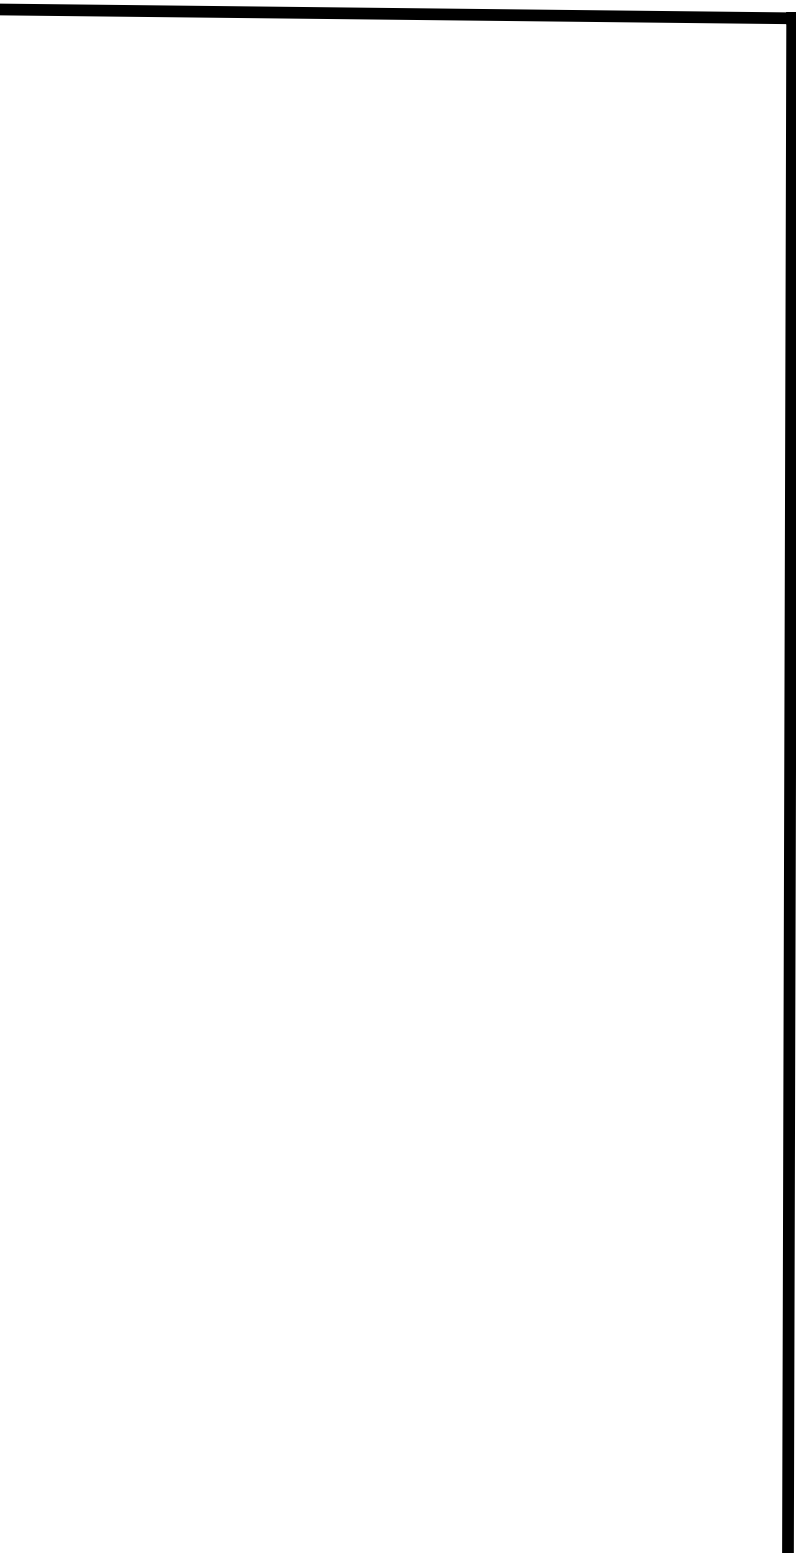

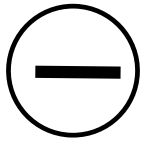

3. Cut off and throw way the area with the gray diagonal lines. (to save on printer ink the diagonal lines are only shown on this instruction sheet)

4. You're ready to go!

# PETITE (SHORT AND SMALL) GOWN PATTERN

Cut out 2 pieces of fabric using this pattern.  
One for front of the gown, one for the back.

You will slit the back of the gown into 2 pieces  
by cutting along the fold line.

Place this side on fold
