When cutting out fabric using this gown pattern, you will cut one pattern for the front of the gown and one pattern for the back of the gown.

Hospice Gown Pattern  
Instruction Sheet

1. Print out all 10 pages
2. Tape together along edges of paper following this diagram
3. Cut off and throw away the area with the diagonal lines (to save on printer ink the diagonal lines are only shown on this instruction sheet)
4. You're ready to go!
